

# : Assessment in the LMC

**Kim Loucks, OCM BOCES CI&A,  
Staff development Specialist**

**Did you learn enough about assessment in the Library Media Center on February 27? Whether you answer "Yes" or "No", please consider joining us for more! This session will be a continuation of Assessing Student Learning in the LMC: More than Just Tests (and books). We will explore assessment in greater depth, examining more types of assessments and providing attendees the opportunity to begin crafting their assessments. Please bring along your ideas, thoughts, and lessons.**
