YOU ASKED FOR IT:

TECH CAMP IN SLOOOOOOOOOO MOTION

OSWEGO BOCES COMPUTER LAB-

8:30-3:00-Aug 12

8:30-12:30-Aug 13

Topics we will cover:

- Rationale for using new web 2.0 tools.
- How these tools can be used to increase student achievement.
- We will have time to practice creating and doing...step-by-step....until we are comfortable and able to leave class ready to implement this with your students.

Cover less, practice more.

Contact: Carla Rowland at SLS office - 963-4363 or mylearningplan.com

There is no charge for participants. Costs covered by Oswego and OCM SLS

*MINIMUM OF **10** PARTICIPANTS NEEDED FOR CLASS TO RUN*

Polly Farrington will be our presenter. A librarian herself, Polly has worked with New York State school librarians for over 16 years. http://www.pafa.net/
